

Guideline affiliations Amsterdam Public Health research institute

Amsterdam, March 2024

We ask all Amsterdam UMC, VU and UvA colleagues of the Amsterdam Public Health research institute to add the research institute's affiliation to your publications, besides the institute/department affiliation. This will improve the brand awareness and recognition of the scientific and societal efforts of the Amsterdam Public Health research institute. Moreover, this is essential for accountability purposes.

Below, we provide some examples of how to affiliate to the Amsterdam Public Health research institute according to the central affiliation guidelines of the involved institutions.
