

Amsterdam Public Health

In this monthly newsletter we proudly present the PhD ceremonies of our APH researchers.

Enjoy!

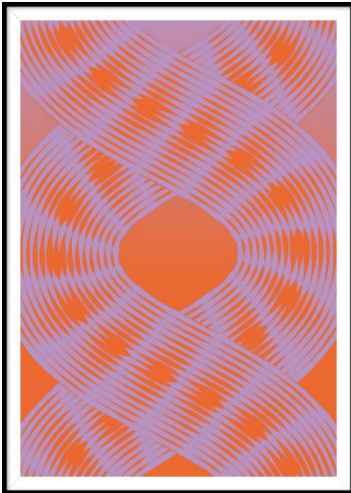

Did you know...

that it's very important to learn about Scientific Integrity as a researcher and that it's essential to follow this in early stages of your academic career? For VU/Umc PhD candidates it is also a mandatory course. The VUmc academy offers a two-day program, visit the [VUmc academy website](#) for more information.

Vacancies

The APH PhD Education Committee is looking for two new members! Read more about the job opportunities [here](#) and join our team!
